

TEAMWIDE 5 DISCIPLINES ASSESSMENT

There are 5 Disciplines for Exponential Growth that every business must get correct. Learn how your executive team, your departments, and your organization sees performance in each of the 5 Disciplines. For each Discipline there are 10 questions focused on proven actions of successful organizations and their teams. The 5 Disciplines Assessment (5DA) helps you identify your strengths, areas to improve and where to prioritize critical actions to help your business growth exponentially.

The survey takes under 15 minutes to complete. Responses are compiled into one teamwide or organizational wide performance report.

Responses are segmentable by gender, tenure, role and level of customer interaction.

TEAMWIDE 5 DISCIPLINES ASSESSMENT

There are 50 questions in the 5DA. 10 for each of the Disciplines.

Ratings consist of Absolutely, Mostly, Sometimes, Rarely, Never, and I Don't Know.

The 5DA report features multiple data analysis on teamwide or organization wide performance.
