

Team Importance and Impact Wheel

Sample Report

The two rings represent your highest ranking Motivators - those that have the greatest impact on your decisions. The primary driving Motivator is placed in the outside ring and the secondary driving Motivator is placed in the inside ring. The colors indicate the importance of those Motivators.

-  **High or Very High Score** - this dimension is very important and the influence will be aligned with the higher scoring descriptors
-  **Average** - this dimension measures as Situational, so the impact importance of this dimension will depend on the circumstance and could either be more aligned with high descriptors or with low descriptors
-  **Low or Very Low Score** - this dimension is not important and the influence will be aligned with the lower scoring descriptors
